18 – 20 November 2019 - Larnaca, Cyprus

CSERC'19

The 8th Computer Science Education Research Conference

Submissions to CSERC'19 might cover, but are not limited to, the following topics:

· Specific educational subject matter, such as programming, database systems, computer security, and modelling

· Specific groups of students, such as first years, women, masters students, minorities, impaired students

· Particular educational innovations, such as MOOCs, flipped-classroom, game-based education, and E-Learning

· Broader topics, such as curriculum, group-work, assessment, class infrastructure

The CSERC'19 proceedings are published by ACM ICPS

Important dates:

· Abstract submission deadline: May 3rd, 2019

· Paper submission deadline: Tuesday 21 May 2019

CSERC'19 co-locates with the 12th International Conference on Informatics in Schools: Situation, Evolution and Perspectives (ISSEP 2019).
