Already got an OU account

1. Go to <http://mijn.ou.nl/>
2. Login with the Username you made before with @student.ou.nl at the end
3. Click in the right upper corner on your name and then “Profiel bewerken”

4. You will automatically land on the tab “Accountgegevens”, if not go to the tab.

5. Under “Taal” you can set the language to English

Finally be sure to link your OU-studentnumber to your account! When you don't combine your OU-studentnumber, it's not possible to see the courses in yOUlearn.

1. Click on “Change to student account”

2. Fill in your studentnumber.

Studentnummer*

3. Click on the button “Upgrade account”

Now you are able to view the courses in yOUlearn.

Access to youLearn

Click on the link <https://youlearn.ou.nl/web/guest/welkom> and click on "aanmelden" in the upper right corner to sign in with the username and password you have created earlier. You can then click on the Youlearn tile to get to the course environment.

You now see the course(s) on your dashboard and can get started.

If you would like to set your environment to English, please follow these steps:

Step 1 – On the left side of the screen select "menu"

Step 2 – Select your name and then select "gebruikersprofiel". On the drop down menu "taalinstelling" below you can select English. Click on "opslaan" and you are all set.
